WE TRAIN IN CLASSES & IN FLEX-BLOCKS

What's a FLEX-BLOCK vs a CLASS?

A FLEX-BLOCK is an amount of dedicated time to working with casting gym members in a variety of training that includes casting support while refining auditioning skills in your market/age range & skill level.

Depending on the member & what is requested will determine the focus of the training. The BLOCK is open to a max of 5 members.

1 member signs up/requests a BLOCK = 1 private hour of training.

2 members = 2 hours of training

3-5 members = 3 hours of training

BLOCK packages can be used towards all classes, one on one training, self taping sessions, Skype coaching.

Any age can sign up for any part of the BLOCK & pay a class rate.

Ages 8 & up, especially teens, should work in BLOCKS to have more time in the studio to socialize & get comfortable while exploring different markets 9Voice Over, Vocals, Dance, Improv, Hair & Make up for auditions, How to work with a Teleprompter, Social Media & tech support... (the classes are endless)

Any age can sign up for a BLOCK & we will separate members in age groups & specific training. If parents need help, specifically, they can use a child's session time but if BOTH are training at the same time, BOTH need to be CG members (see family memberships or combo training) If desiring a 1 on 1 session during the BLOCK it is at full rate \$150 p hr. (Use 2 blocks)

RE-CREATING THE CASTING *the right way* for your next audition keeps you consistently "AUDITION READY". Depending on your upcoming audition or desires to audition for something specific, we will design your class & or coaching session, match you with the right coach/instructor.
